

## Template Polymerization (with condensation)

Small particles

FIG. 1

## Polycation Binding (with aggregation)

The image is a high-contrast, black and white photograph of a textured surface, likely the cover or endpaper of an old book. The texture is dense and granular, with a mix of dark and light gray tones. A prominent vertical crease or fold runs down the center of the image, suggesting the spine of a book. The lighting is uneven, with brighter areas towards the top and darker, more shadowed areas towards the bottom and sides. There are no discernible text or figures.
